### Costa Del Sol

Natural beauty is the focal point of this three bedroom, three bath stone and stucco patio home.

The Costa Del Sol exudes an always-been-there quality as it blends flawlessly into its natural surroundings. Special care is taken to preserve the existing landscape and access to magnificent views and prevailing breezes.

An 8-foot solid Alder entry door, barrel vaulted main hall ceiling and gas log fireplace with stone surround and mantel in the family room create a warm, inviting interior.

Sunlight cascading into every corner through seemingly endless walls of windows lends to the comfortable and inviting feel of this 2,301-square-foot home.
