Marseille

No detail was overlooked to create the relaxed yet elegant atmosphere of this Mediterranean-flavored patio home.

In addition to two bedrooms and two baths on the main floor, the Marseille boasts a studio and a lower level with a finished bedroom and full bath.

Metal stair railing pickets, round drywall corners and Kohler bathroom fixtures are just some of the features that make this home unique.

Expansive great room ceilings and an open floor plan add drama while premium interior finishes, including slab granite kitchen countertops, hardwood flooring and ceramic tile, enhance the stylish beauty of this magnificent 2,574 home.
