Valencia

This 2,983-square-foot Ranch-style patio home boasts an open and versatile floor plan with three bedrooms, three baths, parlor, studio and 522 square feet of finished living space on the lower level.

An exquisite master bath features ceramic tile throughout, Kohler fixtures and jetted tub.

The stone and stucco exterior is enhanced by a custom-designed wood plank garage door and 50-year concrete roof, while full landscaping with automatic sprinkler system lends to the maintenance free living enjoyed at Overlook.

The use of quality materials combined with an incredible location give the Valencia a character all its own.
